

Don't be Proud

Don't be too proud

when you achieve success one day.

Don't be disheartened when you face failure another day.

There are no victories or defeats every day.

Lance Corporal Sanjeewa HPDG 19 SLLI

LOVE

Can the pride of love be killed by
the bond of law..?
Whether it is standard or
non-standard,
it is possible to kill the bounds of
hearts by law..?
Even if a thousand of reasons
are raising in my heart to
avoid you but
I will follow you every re-birth
without missing...

Corporal Senevirathne JR 6 SLE

I hold this weapon not just to defend my country,
but to safeguard my beloved daughter's future.

My commitment to both is unwavering because I deeply care about what lies ahead for you.

Beating Heart

Hanthana is sighing,
Tears in the afternoon,
A single white flower blooming,
Did it bloom into my world?
She has gone away from me,
Breathing in tears,
The departing tears and breath,
Please don't leave me alone.
